

Hi ARL,

Being a manager for a few years, and part of the Te Atatu Committee I have attended a lot of games. I wanted to pass on this feedback which I have never done before as I have never been impacted on to.

On Saturday 4th May I was privileged to be spectator at the Under 7 Open game Te Atatu vs the Point Chevalier Pirates played at Jack Colvin.

The Pt Chevalier coach was only a young lad still in his late teens, however I felt very humbled & privileged to be seeing a coach of such a young age interacting well with his players in the team, and the Te Atatu Coach and team.

The feedback from the referee was that he was very respectful towards the ref and they had a couple of laughs.

He obviously enjoys coaching and cherishes his boys. Being of such a young age he definite lead by example to others young perhaps looking at coaching in the future.

The sideline conducted was commendable also.

This is what mini & mods is about!

Please pass this feedback onto Pt Chevalier Club, and the coach himself.

I also passed the feedback onto our club secretary that evening.

Thank you
Donna Moore
